✦ LETTER FROM OUR PASTORS

For the last 3 years as a community the cry of our hearts has been “welcome home”. It is our deepest desire that those who call Winnipeg home would have a spiritual home – a place to encounter Jesus, grow in their faith, connect with others, raise their kids, see revival, heal from past hurts, fall in love, mature in their faith, have fun, belong to a family and make a difference in the world.

Since launching Rose Church in September 2020, amidst the Covid-19 pandemic, we have seen God move beyond our wildest dreams! From over 130 people making decisions to give their lives to Jesus, to giving away tens of thousands of dollars to our outreach partners, to a hundred thousand people streaming Rose Worship music. The last 3 years have been nothing short of miraculous and we are so grateful to God for all that He has done!

Paul’s letter to the church in Corinth reminded them that what God had prepared for them was greater than what they had ever seen or heard and at Rose we know that the best is yet to come. As we step into this next season we are more expectant for a move of

God than ever before! By God’s grace we have secured a lease on a beautiful 14,000 square foot facility that will host our ministry.

This building is much more than brick and mortar, it’s a declaration that Rose Church is here to stay. We are laying down roots and building a foundation that will ensure that generations to come will have the opportunity to hear the gospel and discover Jesus in our city. We are establishing a place where miracles will happen; where lives will be forever changed by the Holy Spirit because Winnipeg belongs to Jesus.

There is still a lot to be done to get our new home ready but there is much to celebrate! We cannot wait to see all that God has in store. We’ve said it before but this time it holds a different kind of weight: WELCOME HOME Rose Church!

Love,

Mark & Roberta

WHAT IT'S GOING TO TAKE

In order to complete this project that will bring life to our city it's going to require illogical generosity and faith-filled sacrifice from every single person who calls Rose Church home. In order to meet our \$250,000.00 fundraising goal each adult in our church needs to give, on average, \$1,000.00 as an

above and beyond gift. Beyond a one time above and beyond gift, we also need everyone at Rose to commit to giving their tithe each month so that we are able to support our monthly operations and ministry expenses once we get into the new building.

FIND YOUR PLACE

We encourage you to use the diagram below to find your place in this campaign. Find what you feel you can give and then in faith pray and ask God to help you move to the level above. We are believing that as we sow we will each reap a supernatural harvest and blessing.

✦ FREQUENTLY ASKED QUESTIONS

Are we purchasing or leasing this building?

We have secured a 10 year lease with a 5 year extension option on it should we wish to remain longer. At the moment this is the best and most financially responsible step forward for Rose Church.

What will the \$250,000.00 be used for?

Please see page 7 for a detailed financial breakdown.

When will our first service in the new building be?

We are hoping to host our Grand Opening Celebration Service on October 15th. This is of course subject to completion of the building. We will keep the church informed on the timeline of the project.

Can I help with construction and renovations?

Yes. 100%. We are looking for lots of people to help as we establish work crews to help with various parts of getting the building ready including painting, framing, drywalling, cleaning, etc. Visit www.rosechurch.ca/building for more information and to sign up to help.

Can I give prior to July 30th?

Yes. You can give whenever you'd like. If you give prior to July 30th we encourage you to still participate in the response part of our Miracle Offering.

What If I can only give a little?

In the kingdom, there is no such thing as little. As long as you are responding in obedience and faith to Jesus we celebrate and welcome every contribution. Every gift of every amount is needed in order to complete this project. Thank you for sowing in faith and for placing your treasure in heaven.

Does this replace my regular giving in July?

We encourage you to give your Miracle Offering gift as an above and beyond gift and still give what you normally give each month so that we are able to continue our regular ministry and operations.

What is the building like?

The building is just shy of 14,000 square feet. It will seat just nearly 400 people in the auditorium and host 80 children comfortably in the our children's ministry area. There is ample parking on site and the building is in an easily accessible neighbourhood that is growing.

Will Heart For The House still happen?

Yes. Heart For The House, our annual above and beyond offering to accelerate the vision of Rose Church will happen at the end of November.
